Re: Aguilar v. Henderson
Civil No. AMD-98-3312

Dear Judge Davis:

Plaintiff's opposition to defendant's motion to dismiss or for summary judgment is currently due on Tuesday, February 1, 2000; this deadline is the result of a two week extension previously approved by the court. Due to delays that have occurred since the extension was granted, which have impeded the completion of the opposition, I respectfully request an additional extension to and including February 9 for the filing of the opposition. Mr. Copperthite has authorized me to state that the defendant has no opposition to this request.

APPROVED
A. David Copperthite
1/31/2000

Very truly yours,

W. Michel Pierson
